

plurality and ambiguity pdf

There have been five United States presidential elections in which the winner lost the popular vote including the 1824 election, which was the first U.S. presidential election where the popular vote was recorded. Losing the popular vote means securing less of the national popular vote than the person who received either a majority or a plurality of the vote.

United States presidential elections in which the winner

A Condorcet method (English: / k ɛˈ n d ɛˈr ɛˈ s eɪə /) is an election method that elects the candidate that would win a majority of the vote in all of the head-to-head elections against each of the other candidates, whenever there is such a candidate. A candidate with this property is called the Condorcet winner.. A Condorcet winner does not always exist in every election because the ...

Introduction. The concept of precaution is of great relevance in environmental regulation in many countries. Despite the somewhat vague nature of the legislation, some attention has recently been given to the precautionary principle within frameworks and models of economic interpretation and their application.

The precautionary principle and environmental risk

The concept of "sustainable development," as coined by the World Commission on Environment and Development, and with it, the term "sustainability" itself, have been

Classical Apologetics. R. C. Sproul, John Gerstner, Arthur Lindsley. Grand Rapids, Michigan: Zondervan,

1984. This book is divided, not sharply, for each part somewhat overlaps the others in subject matter, but nevertheless is divided into two parts.

The Trinity Foundation - Classical Apologetics

09 July 1996 - The Millennium Comes Early to GPS, updated. Here is the updated Usenet posting from Joe. I had sent email to Joe suggesting the 8-bit leap second field could be used, as a last resort, to help determine the GPS cycle number (I was the "fellow at DEC" he mentions below).

GPS Week Number Rollover - Leap second

In linguistics, morphology is the identification, analysis and description of the structure of a given language's morphemes and other linguistic units, such as root words, affixes, parts of speech, intonation / stress, or implied context (words in a lexicon are the subject matter of lexicology). Morphological typology represents a method for classifying languages according to the ways by which ...
