The raising of Lazarus or the resurrection of Lazarus is a miracle of Jesus recounted only in the Gospel of John (John 11:1-44) in which Jesus brings Lazarus of Bethany back to life four days after his burial. In John, this is the last of the miracles that Jesus performs before the Passion and his own resurrection.

A barn raising, also historically called a raising bee or rearing in the U.K., is a collective action of a community, in which a barn for one of the members is built or rebuilt collectively by members of the community. Barn raising was particularly common in 18th- and 19th-century rural North America. A barn was a necessary structure for any farmer, for example for storage of cereals and hay ...

Raising Honey Bees. As long as bee stings don't harm you, beekeeping can be a wonderful hobby for someone who doesn't have a great deal of money and some large land to produce their own honey and also sell it to make extra income. The start up expense of the average hive is approximately \$300 per hive (you only need one to get begin with). Once you have purchased a hive it can be kept in a ...
