Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.

### **Marketing strategy - Wikipedia**

For the better part of a decade, strategy has been a business buzzword. Top executives ponder strategic objectives and missions. Managers down the line rough out product/market strategies.

We believe the best way to assess your problem-solving skills is to discuss a real client scenario with you. This helps us understand how you structure tough, ambiguous business challenges, identify important issues, deal with all the implications of facts and data, formulate conclusions and recommendations, and articulate your thoughts in a fast-moving discussion.
