Ice Climber is a vertical platform video game developed and published by Nintendo for the Nintendo Entertainment System in 1985. In Ice Climber, the characters Popo and Nana, collectively known as the Ice Climbers, venture up 32 ice-covered mountains to recover stolen vegetables from a giant condor. In some European countries, the NES console was sold bundled with the game, increasing Ice ...

Arms trafficking, also known as gunrunning, is the trafficking of contraband weapons and ammunition. What constitutes legal trade in firearms varies widely, depending on local and national laws. The 1999 Report of the UN Panel of Governmental Experts on Small Arms provides a more refined and precise definition, which has become internationally accepted. This distinguishes between small arms ...
