In the history of Europe, the Middle Ages (or medieval period) lasted from the 5th to the 15th century. It began with the fall of the Western Roman Empire and merged into the Renaissance and the Age of Discovery. The Middle Ages is the middle period of the three traditional divisions of Western history: classical antiquity, the medieval period, and the modern period.

Medieval French literature is, for the purpose of this article, literature written in Old languages (particularly Old French and early Middle French) during the period from the eleventh century to the end of the fifteenth century. The material and cultural conditions in France and associated territories around the year 1100 unleashed what the scholar Charles Homer Haskins termed the ...
