Physics is the study of the fundamental principles that govern the entire natural world, from the atomic nucleus and elementary particles to the dimensions of the universe and the search for dark energy. Our students investigate these principles in small classes with emphasis on lab experiences, and many opportunities for faculty-led research.

St. Lawrence Market is a major public market in Toronto, Ontario, Canada. It is located at Front St. East and Jarvis St in the Old Town district of Toronto. Until 2015 there were two buildings in the complex, with different purposes. Until it was demolished to make way for redevelopment, St. Lawrence Market North, on the north side of Front St, hosted weekly farmer's markets and antique markets.
